

# NANOSKIN BLASTER Pre-Spotter/Stain Remover

Extractor Gun

Multi Function  
Cleaning Gun

Micro Particle  
Cleaning Gun

- Water-based formula
- Designed to used on various stains
- Deodorizes
- Safe for use on wool

NANOSKIN BLASTER Pre-Spotter/Stain Remover is specially designed to use on stains caused by pet urine, coffee, tea, perfume, wine and some yellow oxidized stains. It also deodorizes bad odors, not an odor mask or cover. Safe for use on wool. Wide variety of applications possible. For maximum effectiveness, apply directly to stains as soon as possible to help prevent permanent damage to carpet or fabric dyes.

**DILUTION:** 1 : 1

## **DIRECTIONS:**

Dilute the product to desired strength.

1. Remove all loose dirt by vacuuming.
2. Apply a small amount of BLASTER.
3. Blot with white absorbent toweling until stain is removed.
4. Flush with water.
