

TECHNICAL DATA SHEET

1. IDENTIFICATION OF THE PRODUCT

NAME OF THE PRODUCT	Fast Mirror Copy
CODE	050020

2. DESCRIPTION

The Fast Mirror Copy is a complete work kit with everything you need for a professional, fast and efficient anagram removal.

The recovery of anagrams can be a complicated process, not economically profitable and ultimately a problem in the day-to-day work of the repair shop.

With Fast Mirror Copy all these problems disappear as you have everything you need in a single case. It can be conveniently transported to any part of the workshop, avoiding the waste of time caused by the unnecessary movement of vehicles. All this makes Fast Mirror Copy an indispensable tool for making a simple, fast and cost-effective task in the vehicle repair workshop.
