

SAFETY DATA SHEET

1. IDENTIFICATION OF THE PRODUCT AND THE COMPANY

DESCRIPTION	SCLEAN hand cleaner special for paint
CODE	100340 (250 ml) 100341 (2L)
DISTRIBUTOR	BOSSAUTO INNOVA, S.A.
ADDRESS	C/ Thomas Edison 16, apartado de correos 95
LOCATION	08430 La Roca del Vallés (Barcelona)
TEL	902 100 667
FAX	902 363 047
E-MAIL	info@bossauto.com
WEBSITE	www.bossauto.com

2. HAZARDS IDENTIFICATION

See sections 11 y 15.

3. COMPOSITION/ INFORMATION ON INGREDIENTS:

3.1. Chemical characterization:

Cosmetical preparation. Contents Dibasic esters 15–30%, amphoteric-surfactants 1-5%, water and walnut shell powder 5-10%.

4. FIRST AID MEASURES

- 4.1. Inhalation** Not applicable.
4.2. Skin contact Not applicable.
4.3. Eye contact Flush eyes immediately with large amounts of water with lids lifted. Consult physician.
4.4. Ingestion: In case of ingestion, drink water and prevent vomiting. Consult a physician.
4.5. Note to physician
Danger of aspiration when vomiting or irrigating stomach.

5. FIREFIGHTING MEASURES

5.1. Suitable extinguishing media

Extinguishing media suitable: Water spray jet, CO₂, foam and powder.

5.2. Extinguishing media to avoid Not known.

5.3. Fire and explosion hazards

In case of fire, product may form organic crack products and carbormono- and dioxide.

5.4. Protective equipment

Wear positive pressure self-contained breathing apparatus. Wear full protective clothing.

6. ACCIDENTAL RELEASE MEASURES

6.1. Personal precaution measures See No. 8.3 Personal equipment.

6.2. Environmental precautions and methods for cleaning up

Do not allow large quantities to enter drainage. Inform responsible authorities after accidental conduction of considerable quantities. Soak up with absorbent material.

6.3. Further information: None.

7. HANDLING AND STORAGE

(for national regulations please refer to item 15.)

7.1. Handling

- 7.1.1 Precautions for safe handling: Not relevant.
7.1.2 Precautions in case of fire and explosion: No special measures required

7.2 Storage

- 7.2.1 Storage instructions: No special measures required.
7.2.2 Store away from: Not relevant
7.2.3 Storage class: Not applicable.

8. EXPOSURE CONTROL/ PERSONAL PROTECTION

8.1 Information on the system design:

Provision of personal protective equipment according to No. 8.3.

8.2 Exposure limits: Not available

8.3 Personal protection:

- 8.3.1 General protection and hygiene: Avoid contact with eyes.
8.3.2 Respiratory protection: Not applicable.
8.3.3 Hand protection: Not applicable.
8.3.4 Eye protection: Not necessary in normal use.
8.3.5 Skin protection: Not applicable.

8.3.6 Hygienical regulations:

Use skin protection lotion before work, f. ex. Invisible glove Bossauto (ref. 100342). To remove strong dirt, use Mecastar Bossauto (ref. 100344) handcleanser. After work it is recommended for the health of your skin to use Hydracrem Bossauto (ref. 100346) skin care lotion.

9. PHYSICAL AND CHEMICAL PROPERTIES

9.1 Appearance:

- 9.1.1 Physical state: paste
9.1.2 Colour: dark beige
9.1.3 Odour: orange- apple

9.2 Safety-relevant data:

- 9.2.1 Boiling point/Boiling range (°C): >100
9.2.2 Melting point/Melting range (°C): Not applicable
9.2.3 Flash point, C.C. (°C): >100
9.2.4 pH value, undiluted: 6-7
9.2.5 pH value 1% aqueous solution: 6-7
9.2.6 Flammability (EC A10/A13): Not applicable
9.2.7 Ignition temperature (°C): >350
9.2.8 Autoflammability (EC A16): Not applicable
9.2.9 Oxidizing properties: Not applicable

9.3 Other data:

- 9.3.1 Density (g/cm³): ca. 1,0 (by 20°C)
9.3.2 Solubility: Partially soluble (except scrubber)
9.3.3 Vapour pressure: Not applicable
9.3.4 Viscosity: 15-35 Pas (Brookfield, 20 rpm, Sp. 7)
9.3.5 Solvent content (m%): 25-35%

10. STABILITY AND REACTIVITY

Conditions to avoid and materials to avoid: No hazardous reactions known.
Hazardous decomposition products: No hazardous decomposition-products known.
10.1 Further information: None

11. TOXICOLOGICAL INFORMATION

11.1. Acute health effects Not available.
11.2. Subacute or chronic toxicity: Not available.
11.3. Other information: Dermatological tested. Result: very good.
11.4. Additional information: No adverse toxicological effects are known resulting from normal use.

12. ECOLOGICAL INFORMATION

12.1. Water hazard class 1
12.2. Biodegradability The surfactant components are readily biodegradable (According to 648/2004/EC).

13. DISPOSAL CONSIDERATIONS

13.1 Residues

13.1.1 **Waste key number (EWC):** 07 06 99
13.1.2 Recommendation: Please comply with the national or regional authorities.
13.1.3 Safe handling: Please refer to items 7. and 15.

13.2 Contaminated packaging

13.2.1 Recommendation: Please comply with the national or regional authorities.
13.2.2 Safe handling: As described under residues.

14. TRANSPORT INFORMATION

14.1 Remark: No hazardous material according to any regulations for transport
14.2 Additional designation in the shipper's declaration: Not applicable.
14.3 Inscript on packaging: Not applicable.

15. REGULATORY INFORMATION

15.1. Data on classification according to the EEC-regulations

No classification necessary in reference to the EEC-regulations.

15.2. National regulations

For the distribution or handling, please comply with the national (regional) regulations or any other national measures that may be relevant.

16. OTHER INFORMATION

Europe: Generally, MSDS are not relevant for cosmetical preparations (So also REACH), because they are not dangerous formulations and they have to follow the cosmetic guidelines 1223/2009/EEC.

The data and advice given apply when the product is sold for the stated application or applications. The product is not sold as suitable for any other application. Use of the product for applications other than as stated in this sheet may increase risks not mentioned in this sheet. You should not use the product other than for the stated application or applications without seeking advice from us.

If you have purchased the product for supply to a third party for use at work, it is your duty to take all necessary steps to secure that any person handling or using the product is provided with the information in this sheet.

If you are an employer, it is your duty to tell your employees and other who may be affected of any hazards described in this sheet and of any precautions which should be taken.

Approved Codes of Practice: Waste Management. The Duty of Care.

Guidance Notes:

Occupational skin diseases: health and safety precautions (EH26)

Occupational exposure limits (EH 40)

Dermatitis-cautionary notice (SHW 367)

The above publications are available from HMSO and HSE sources.

All reasonable care has been taken to ensure that the information contained in this publication is accurate at the date of printing; such information is nevertheless liable to variation in the event of changes occurring subsequent to the date of printing. We advise all users that manufacturers are very precise when stating their requirements. The most up to date recommendations by manufacturers should always be followed in every respect.

The information of this Material Safety Data Sheet, is based on the present state of knowledge and on current UE and national laws, as the users' working conditions are beyond our knowledge and control. The product is not to be used for other purposes than those specified, without first obtaining written handling instruction. It is always the responsibility of the user to take all necessary steps in order to fulfil the demand laid down in the local rules and legislation. The information in this Material Safety Data Sheet is meant as a description of the safety requirements of the product and it is not to be considered as a guarantee of the product's properties.
