

TECHNICAL DATA SHEET

1. IDENTIFICATION OF THE PRODUCT

NAME OF THE PRODUCT LINE URAX Ø150 mm 15 holes
CODE 060741 to 060757

2. DESCRIPTION

New discs URAX 15 holes which allow a quicker and efficient dust aspiration.
 LINE URAX is a premium paper product manufactured with a high quality grit, a latex paper and a very strong resin. All these elements provide a better performance and a longer working life.

Code	Grains availables
060741	P-60
060742	P-80
060743	P-100
060744	P-120
060745	P-150
060746	P-180
060747	P-220
060748	P-240
060749	P-280
060750	P-320
060751	P-350
060752	P-400
060753	P-500
060754	P-600
060755	P-800
060756	P-1000
060757	P-1200

3. TECHNICAL SPECIFICATIONS

Grit	Premium aluminium oxide
Support	Latex paper
Adhesive	Phenolic resin
Coating	Open coating layer
Available grits	From 60 to 1200

4. APPLICATION

Sectors: automotive, aerospace sector, nautical, wood working and metal working.
