

TECHNICAL DATA SHEET

Updating Date: 14/11/2023

Version: 1

(**)Indicates changes from the previous version

SECTION 1. IDENTIFICATION OF THE PRODUCT

1.1 Product identifier: **FLEXIBLE Strip without holes 130x170mm.**

Other forms of identification: **060960; 060961; 060962; 060963, 060964.**

1.2 Details of the supplier of the technical data sheet: (See FDT headline).

1.3 Emergency telephone: 93 860 49 23 (8:00 - 17:30).

SECTION 2. DESCRIPTION

FLEXIBLE strips are abrasives on flexible film backing specially recommended for use with Interface Micro Vel., as well as hand pads or orbital sanders. FLEXIBLE strips are perfectly bonded by means of Vel.

Designed mainly for use on plastic surfaces for perfect sanding, choose the grain of FLEXIBLE strips that best suits the needs or the stage of the sanding job.

Advantages include:

- High cutting performance without clogging.
- Recommended for sanding curved surfaces.
- Avoids overly aggressive grinding.
- Homogeneous end result.

| Reference | Available grains | Colour |
|-----------|------------------|--------|
| 060960 | P400 ~ P600 | Blue |
| 060961 | P800 ~ P1000 | Yellow |
| 060962 | P1200 ~ P1500 | Orange |
| 060963 | P2000 | Lime |
| 060964 | P3000 | Grey |

SECTION 3. TECHNICAL DATA

| | |
|------------------|------------------|
| Adhesive: | Resin on resin. |
| Support: | Flexible film. |
| Coating: | Aluminium oxide. |
| Width: | 1020mm. |

The technical information is based on our experience. We guarantee the quality of the product; however, as the conditions of use are not under our control, we cannot assume any responsibility for the results obtained.
