

TECHNICAL DATA SHEET

1. IDENTIFICATION OF THE PRODUCT

NAME OF THE PRODUCT Manual applicator pad for B69
CODE 100205

2. DESCRIPTION

Manual application made of a great quality and density foam.
Made for the right application of B69 Premium.
The base is made of a framework that allows a perfect transperance of the product B69 to the surface.

3. MAIN CHARACTERISTICS

Material	Polyurethan
Height	30mm
Superior Diameter	130-133mm
Outside Diameter	145-148mm
Density net: ISO 845	36-41 kg/m ³
CLD (40% - frist curve): ISO 3386/1	6,0-10 kPa
Elongation on break: ISO 1798	>200%
Tensile strength: ISO 1798	>225 kPa
Cellcount	480-660 µm
