

TECHNICAL DATA SHEET

1. IDENTIFICATION OF THE PRODUCT

NAME OF THE PRODUCT GENIO B69 PREMIUM Polymer protectant 500 ml
CODE 100906

2. DESCRIPTION

B69 Premium is a unique, highly resistant polymeric gloss sealant for almost all exterior automotive surfaces: car paint/unpainted parts (e.g. bumpers, trims, side mirror frames), rubber and tyres, glass surfaces, chrome parts, etc.

B69 Premium provides an outstanding protection to atmospheric condition and guarantees a natural and very long-lasting, semi-matt finish. It is free of hydrocarbons and silicone oils.

3. ADVANTAGES

By the multifunctional purpose of B69 Premium, you are able to save time and money while doing car care.

This product is a substitute for at least 6 car care products:

- Plastic, vinyl and rubber care
- Paint sealing
- Glass cleaner
- Glass sealing
- Rim sealing
- Chrome care

4. APPLICATION

A. Smooth surfaces (paint, glass, chrome)

- Quick finish: Spray B69 on the surface and wipe it off, using a microfiber cloth.
- Premium finish: Just spray on B69 and apply it with the handpuck for B69 in a circular motion. Let it dry for a few seconds and gently wipe off any residue using a microfiber cloth.

B. Structured and open-pored surfaces (plastic, rubber, tyres)

- Quick finish: spray B69 and leave for approx. 10 minutes – done!
- Premium finish: spray B69 all-over the surface and leave it for approx. one minute. Scatter the excesses and the residues very gently using the soft handpuck – let it dry – ready!

C. Warning

- Do not apply on front windscreen.
- Do not spray too much B69 on the engine compartment to avoid pooling.

The technical information is in accordance with our experience. We assure the quality of the product. However, the conditions of use are not under our control and we cannot assume any responsibility of the obtained results.
